Kleen Pro Solutions Voted "Best in the Biz" By Tampa Bay Business Journal

November 2016 Press Release
Tampa, FL:

Business owners and managers who need a reliable, efficient, and affordable commercial cleaning company have a new solution. Kleen Pro Solutions was voted the "Best in the Biz" in the commercial cleaning company category by readers of the Tampa Bay Business Journal for 2016. After winning the award, Scott Kurtz, CEO and President of Kleen Pro Solutions said, "We're very grateful for all the support we've received. Our primary key to success is communication, and it will always remain our most important objective, along with providing superior cleaning services."

Scott established Kleen Pro Solutions to provide a truly high-quality cleaning service in the Tampa Bay area. Several years ago, he noticed that cleaning companies consistently used shortcuts in an attempt to maintain the cleanliness of the buildings he managed. Scott decided to start a business that would not only do an excellent job cleaning for clients, but would ensure clear communication is a top priority.

Scott's transparency in doing business includes providing his clients with information he considers essential, such as the names of the employees that clean their facilities, and a list of the cleaning solutions used. Clients appreciate Scott's openness, reflected in the following review from Elisabeth Butterfield: "Within minutes of meeting Scott, owner of Kleen Pro Solutions, you'll know behind that affable personality he is all about results. He will give a clear, concise and accurate assessment of what it would take to clean your business and keep it that way. If you're looking for a makeshift cleaning crew, this is not the source for that, Scott is all about clean and he gets down to the nitty-gritty! Highly recommend!"

As you might imagine, we are ecstatic to have received this honor and want to thank many of you reading this for your vote. Without you, our highly valued customer, we could have never achieved this! We strive to make sure you are 100% satisfied with our service and always encourage your feedback as we want to be your long term solution!

WINTER 2016

Kleen Pro Solutions, LLC, is a Tampa owned and operated commercial cleaning company whose mission is to provide high quality cleaning services to valued clients in a professional, courteous, and economically affordable manner. We believe clear communication skills are essential to meet the needs of clients, and recognize that the ability to communicate well promotes success for all parties involved. Our mottos are:

- 1) Keep Tampa Clean.
- 2) Let us be Your Final Choice.

Winter Cleaning Tips

Vacuum and Rotate Mattresses. For the best, most even wear on your mattress, it's recommended that you turn and rotate it each quarter.

Clean and Reorganize the Kitchen Pantry. Pantry cabinets need their contents

taken out periodically so shelves can be wiped down. It's also a good time to reorganize them and throw out expired items.

Replace Baking Soda in Fridge and Freezer. The odor-absorbing properties of baking soda make it a

necessity for the fridge and freezer. The trick is in remembering to replace it. **Glove Grips.** Woolen gloves keep hands toasty, but they can make for some slippery situations. To get a better handle on things, try adding a piece of Ultrasuede to help grip items.

Non-Profit of the Quarter: Special Olympics

Special Olympics Florida Hillsborough County provides year-round sports training and competition to individuals age 8 and older with intellectual and developmental disabilities. They participate in 17 sports that are offered year round. Each season lasts approximately 3-4 months with at least 8 weeks of training and 3 levels of competition: County,

Area and State Games. Sports currently offered to athletes in Hillsborough include: Athletics (Track and Field), Basketball, Bocce, Bowling, Cycling, Cheerleading, Equestrian, Flag Football, Golf, Rhythmic and Artistic Gymnastics, Powerlifting, Soccer, Softball, Stand Up Paddle (SUP), Swimming, Tennis and Volleyball. There

are many ways you can get involved in Special Olympics. You can volunteer as a Day of Event volunteer at a competition, be a sports coach, assistant coach, sports volunteer or Unified Partner (play alongside an athlete with an intellectual disability.) Also, you can get involved in the management team or executive development.
